

To All Shore Quality Partners Members,

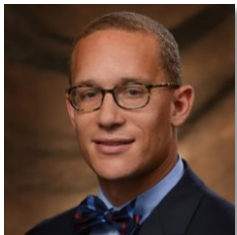

If you would like to feature content in the newsletter regarding services or announcements in your practice please email them to info@shorequalitypartners.com.

Please Welcome Kelly Filer, RN to Shore Quality Partners Care Coordination Team:

The Care Coordination Team of Shore Quality Partners now offers a Population Care Specialist. The services Kelly will provide include: Conducting comprehensive assessment of healthcare, education and psychosocial needs of the patient and their family; Coaching patients and caregivers in health self-management; Enlisting a team approach by working collaboratively with the family, primary care provider and other members of the healthcare team to ensure coordination of services; Use data analytics to recognize high risk patients and at-risk groups. **Attached is the Care Coordination Referral Form for our outpatient program.** To refer a patient to the SQP Care Coordination Team, complete the attached form and fax it to: (609) 653-1893.

Please Welcome Barrett Woods, MD to Shore Quality Partners:

Dr. Barrett Woods is a spine surgeon who performs minimally invasive and complex spinal reconstructive procedures at Shore Medical Center. Originally from Pittsburgh, Pennsylvania Dr. Woods, completed medical school and residency at The University of Pittsburgh. While at The University of Pittsburgh, Dr. Woods served as a Clinical Instructor in Trauma and Reconstructive Orthopaedic Surgery. He completed a research fellowship in the prestigious Ferguson Laboratory where he collaborated on research for biological treatments in degenerative disc disease affecting the spine. Dr. Woods has traveled to several national and international conferences presenting this work. He was awarded the best basic science award from the North American Spine Society for this work.

Upon completion of his residency in Orthopedic Surgery, Dr. Woods completed a fellowship in spinal surgery at Thomas Jefferson University. There he was trained in both Neurosurgical and Orthopaedic spinal surgery techniques, and currently holds a dual appointment as an Assistant Professor in both Neurological and Orthopaedic Spinal Surgery at Thomas Jefferson University.

He has offices locations in Egg Harbor Township, Marlton, and Hammonton. For more information please visit <http://www.rothmaninstitute.com/>.
