Please Welcome Scott Tzorfas, MD to Shore Quality Partners:

Born and raised in Cape May County, Dr. Tzorfas is excited about joining Shore Quality Partners. He is a Board Certified Neurologist who has served Atlantic and Cape May Counties for the past 20 years. Dr. Tzorfas received his neurology training at Albany Medical Center in Albany, NY and fellowship training in neuromuscular disease at Thomas Jefferson University Medical Center in Philadelphia, PA. His practice focuses on the diagnosis and management of all aspects of neurological disease, including but not limited to: peripheral nerve/muscle disease, cervical and lumbosacral radiculopathy, vertigo, trigeminal neuralgia, Parkinson's disease, Alzheimer's disease, epilepsy, cerebrovascular disease, headaches and multiple sclerosis. He also performs EMG/NCV studies frequently, which can be scheduled very quickly. He can accommodate patients for urgent same day appointments if necessary. His office takes pride in providing the highest quality personalized care for each patient.

Advanced Shore Imaging, 2605 Shore Rd, Northfield – Now accepting appointments!

Advanced Shore Imaging is the region’s new multi-modality medical imaging center. Through a comprehensive range of diagnostic imaging and image-guided procedures, they provide patients and referring physicians with precise and accurate results in a timely manner.

On the first floor, they have general imaging including MRI, PET/CT and CT, X-ray and Fluoroscopy and ultrasound. On the second floor, which is designated for women’s imaging, they offer 3D “low dose”

Tomosynthesis and Mammograms using Senobright Technology, Stereotactic Breast Biopsies, DEXA Scans, OB/GYN Ultrasounds. ASIA offers the regions only ABVS (Automated Breast Volume Scanner), which helps detect breast cancer or the lack thereof in dense and/or fatty breast tissue.

To schedule an appointment, please call 609-380-4175 or visit www.advancedshoreimaging.com.
