Diabetes Referral Guidelines: Dr. Jon Pomeroy, Diabetic Care Coordination Team leader, has developed some referral guidelines to support clinical practice and influence clinical behavior. The mission of Shore Quality Partners Diabetic Care Coordination is to educate pre-diabetics and diabetics about their disease and empower them with tools to fight, overcome, and thrive. For more information on these referral guidelines and when a specialist referral is advised, see attached for detailed information or contact **Tanya Bitterlich, Certified Diabetes Educator** at 609.365.6206 or tbitterlich@shorequalitypartners.com.
